In June of 2015, we suddenly lost our baby, Julianne Addison Rosela, at age seven. The outpouring of love and support from the Kent Island community was and is the most inspirational testament to the quality of and the everlasting meaning of her life.

Proceeds from this event will directly benefit Kent Island High School students in Julianne's name in the form of college scholarships.

Proceeds will also directly benefit families that are affected by a tragic loss.

The Kent Island community has been very supportive of our family and we are committed to "giving back."
